Warranty

The Trassig Warranty

We stand behind every product or service we sell you. Our philosophy is that customer support is an integral part of the sales process.

All our products carry a lifetime limited warranty on all steel posts, stainless steel hardware, aluminum fittings and aluminum post caps, a limited 10 year warranty on all punched decks, a limited 5 year warranty on all rails, rungs, loops, roto-molded components and plastic sheet components, and finally, a limited one year warranty on all moving parts, swing seats, swing hangers, and other material not covered above.

Our Warranty does not cover damage done intentionally to our products, acts of God, and products that have not been maintained according to manufacturer specifications.
